

3-C: Managing the Big 5: Finances for Clinical Leaders – Jennifer Hale, MSN, RN, CHPN, Compassus, VP, Quality and Standards, Carla Roberts, Compassus, Executive Director

Jennifer Hale

Jennifer joined Compassus in March 2017 as the Vice President, Quality and Standards. Jennifer's transition to Compassus was preceded by 3 years with Optum Palliative and Hospice Care as the Vice President of Clinical Services. In addition, Jennifer served as the Executive Director of the Georgia Hospice and Palliative Care Organization for 5 years. Jennifer's two decades of nursing, leadership and executive experience in long-term care, home health and hospice allow her to leverage both skills and knowledge in identifying trends in healthcare delivery, regulatory matters and systems changes which impact patient care outcomes.

Jennifer has served on the National Hospice and Palliative Care Organization's Board of Directors, the Hospice Action Network's Board of Directors, the Medical Care Advisory Committee for the Georgia Department of Public Health and the Georgia POLST Collaborative. She continues to participate in professional organizations and is passionate about developing competent, skilled care delivery across the interdisciplinary team.

Carla Roberts

Carla Roberts graduated from Drury University in 1997 with a Bachelor of Science degree in 3 different minors: Psychology, Sociology, and Criminology. She has over 25 years' experience in healthcare management and leadership and 17 years' experience as the Executive Director for Compassus Hospice in Mountain Grove, MO. She currently serves on the Board of Directors for the Missouri Hospice and Palliative Care Association and the Missouri Hospice Advisory Council.
